

Battle of the Bridge

Please join us in our effort to fight hunger right here in Loudon County. The tenth annual “Battle of the Bridge” food drive is scheduled for the week of August 23. While the Redskins and Panthers prepare to battle on the football field, the two schools will compete in a nonperishable food drive. The ultimate winner will be the citizens of Loudon County, because all of the donations will stay in this area and will be distributed to those in need through the Good Samaritan Center. All contributions will be weighed and recorded. The Good Samaritan Center commends the hard working “young Samaritans” in our county!
